Difficulties

The school understands that significant unexpected events can also impact families and their ability to pay school fees. If difficulties in paying are experienced or anticipated, families should contact the school at Finance@tombolo.vic.edu.au in the first instance in writing and include a proposal for settlement of the account.

Tombolo Academy Foundation Bursaries

A bursary scheme has been established to enable families and students who otherwise might not be able to afford school fees attend the school.

Funds in the bursary scheme are made available by application for a student bursary. The total number of available bursaries will be limited by available funds. Not all student families who apply for a Bursary will be successful.

Application for a bursary to assist with school fees is available on an annual basis to new and existing students whose families meet the means-tested eligibility criteria.

In addition to the family meeting the financial criteria, the school will take into consideration the extent to which it is thought the student will benefit from the educational provision of the school and the extent to which the school is able to meet the student's needs.

Parents and friends are encouraged to donate to the bursary scheme. Your kind generosity is deeply appreciated. If you wish to make a tax-deductible donation to the bursary scheme, please contact Finance@tombolo.vic.edu.au in the first instance.

To be considered for a Foundation Bursary parents or carers must hold a validated Centrelink Health Care Card, a Pensioner Concession Card, or a Veterans Affairs Gold Card.

Special consideration will also be given to:

- families on a bridging visa, a temporary protection visa, who are in community detention or who are asylum seeker families
- students in out-of-home care
- students in statutory kinship care

The value of each Foundation Bursary is at the discretion of the principal and will normally not exceed one-half of the Annual Fee but not including the ICT or Excursion levy. To apply, please contact the school at Finance@tombolo.vic.edu.au in the first instance in writing.

Building Improvement Donations (Optional)

Dynamic learning environments require more than traditional classroom facilities to ensure we meet the current and future needs of our twice-exceptional students.

In 2022 the school spent over \$1 million to upgrade the facility.

The Tombolo Academy Gift Account lies at the heart of our effort to invest in innovative facilities that support learning. Funding projects include developments that will help us create the best learning environments for our students.

All income from school fees and government funding supports our teaching and learning programs. To finance our capital improvements of buildings and new infrastructure, we rely on donations from our generous community to the Tombolo Academy Gift Account.

Tax-deductible donations, great and small, are deeply appreciated and help us deliver appropriate learning environments and other facilities for our students, now and into the future.

Donations can be accepted now, and you will be provided with further opportunities to donate throughout the year to improve and enhance the school for the benefit of your children and generations to follow. Your kind generosity is deeply appreciated. If you wish to make a donation, please contact Finance@tombolo.vic.edu.au in the first instance.
